SUMMARY

Proactive and Detail-Oriented Web Developer with expertise in HTML, CSS, JavaScript, and PHP. Skilled in designing and building responsive, user-friendly, and high-performance web applications. Strong problem-solving abilities and a collaborative mindset, with a passion for creating impactful digital experiences and staying updated with modern web technologies.

WORK EXPERIENCE

Dotcom Webs Pvt. Ltd. Web Developer Intern

July 2024 – Aug 2024

- Designed and developed client websites using HTML5, CSS3, and JavaScript, ensuring high-performance and visually appealing interfaces.
- Implemented responsive design principles with frameworks, enhancing cross-device compatibility and improving mobile usability by 25%.
- Designed and developed a user-friendly admin panel. Enabled administrators to manage website content, user data, and system settings efficiently.

PORTFOLIO

Landing Page

- Utilized CSS Grid and Flexbox for efficient layout management and improved design scalability.
- Implemented responsive web designs using semantic HTML5 and CSS3 with media queries to ensure cross-device compatibility.

News Website

- Implemented the Fetch API for asynchronous HTTP requests to retrieve data dynamically without reloading the page.
- Enhanced performance with lazy loading for images and optimized API requests for faster load times.
